

DGBSC-SG02/4

Inline wire connector

Compact Design

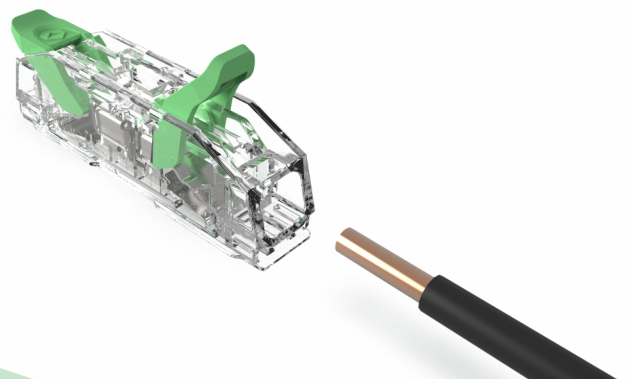

Only 7.5 mm in width

Suitable For All Conductors Types

Wire Range: 0.2-4mm² / AWG 24-12

Easy-To-Use
Connect tool-free .

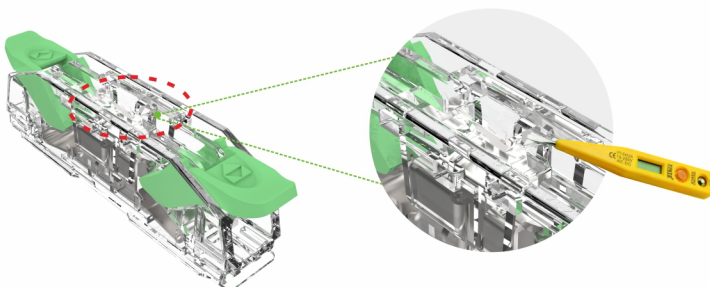

Fast Wiring
Push-In termination technology.

Transparent Housing
Easily check connection status.

Easy To Test

With test holes at the top, easy and quick to test connection on site.

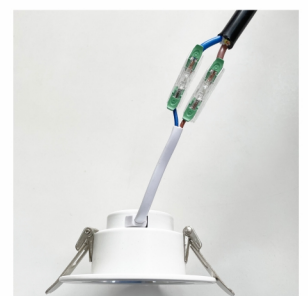

Electrical Data

IEC 60998	
Rated Voltage	450V
Rated Current	32A
UL 486C	
Rated Voltage	600V

Application

Power distribution
